

10 tips to protect your home from fire

Fire Safety Department

- 1 Fit smoke alarms and test them regularly.
Do not remove batteries.
- 2 Devise a fire action plan.
- 3 Keep exits clear and accessible.
- 4 Take extra care in the kitchen.
Do not leave cooking pots unattended.
- 5 Never leave candles in rooms where children are on their own.
- 6 Make sure cigarettes are stubbed out properly,
never smoke in bed. Avoid smoking indoors.
- 7 Close doors at night especially those to kitchen and lounge.
- 8 Do not overload electrical sockets.
- 9 Keep lighters and matches away from children.
- 10 Take special care when you are tired or have been drinking.
